Dear Sir:

In response to the Notice Regarding Drawings dated August 3, 2006, for which the

Examiner set a two-month period for response, Applicant submits the request replacement drawing

sheets and provides the following remarks:

REMARKS

The Examiner issued a Notice Regarding Drawings which indicated deficiencies with regard to Figs. 2-4. Applicant was unable to identify in the figures the stated deficences. Consequently, on September 28, 2006, the undersigned discussed the matter further via telephone with Mr. John Fitzhugh of the Office of Patents Publication. Mr. Fitzhugh also was unable to identify any problems with the submitted figures. Mr. Fitzhugh further suggested that Applicant resubmit the originally filed Figs. 2-4.

Responsive to the Notice and Mr. Fitzhugh's request, Applicant submits herewith two replacement drawing sheets, which include Figs. 2-4. The only changes present in the replacement drawing sheets are that shading has been removed from several blocks in Fig. 2. Applicant declares that the replacement drawing sheets contain no new matter. It is believed that these drawing sheets are fully responsive to the Notice.
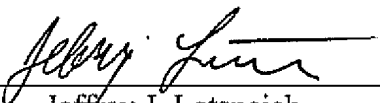

If for any reason the Examiner finds the submitted drawing sheets unacceptable, the Examiner is requested to call the undersigned attorney at the Los Angeles, California, telephone number (213) 623-2221 to discuss further changes.

Respectfully submitted,

Lee, Hong, Degerman, Kang & Schmadeka
